

Quality Education At An Affordable Price

## University of Idaho Dairy Science Program

### IN-DEPTH KNOWLEDGE OF DAIRY SCIENCE

- Opportunities to gain knowledge of the dairy industry, the science of producing milk, and production management.
- Training efforts directed toward student's individual needs, dairy producers, and allied industry

### PRACTICAL KNOWLEDGE AND INTERNSHIP PROGRAM

- Provide a real work setting for the translation of theory into practice
- Experience modern dairy facilities and allied dairy industry
- Compete in dairy cattle judging team
- Compete in national Dairy Challenge event
- Participate in cooperative learning with other universities

### RESEARCH

- Conducting basic and applied research with graduate training in the areas of dairy nutrition, lactation, reproductive physiology, and management.

**Total Enrollment:** 11,310 (on campus); 12,476 (total); 195 Animal & Veterinary Science Program

**Dairy Program Enrollment:** 20

**Dairy Department Head:** Dr. C.W. Hunt, Phone: (208) 885-6345; Fax: (208) 885-6420; E-Mail: av-student@uidaho.edu

**Admissions Office:** P.O. Box 443133, Moscow, ID 83844-3133; (208) 885-6326

**Application Deadline:** Priority deadline is Feb. 15th

**Estimated Annual Fees for 2007/08:**

**Tuition: in-state:** \$2,200/semester,

**Out-of-state:** \$7,250/semester, room & board: \$3,212/semester

Western Undergraduate Exchange tuition & fees: \$3,307/semester

**Financial Aid:** <http://www.finaid.uidaho.edu/>

<http://www.ag.uidaho.edu/students/scholarship.html>

**Part-Time Work and/or Work Study Program:** Dept. Dairy Center, other farm units, University labs & offices.

**Major Fields of Study/Degrees Offered:** Dairy Science, Animal Science, Range-Livestock Management, Pre-Vet, Agribusiness; B.S., M.S., Ph.D.

**Dairy Herd/Special Activities:** 110 Milk Cows; field studies, student dairy club, dairy management challenge team, short and long-term farm & industry internships, working in a laboratory setting, assisting with research.

University of Idaho Dairy Club participated in the 2007 Western Dairy Herd Conference

## University of Idaho

Science With Practical Application  
For the 21st Century

Animal and Veterinary Science, University of Idaho, Moscow, ID 83844-21330

## MICHIGAN

### Michigan State University

(East Lansing, MI)

**Total Enrollment:** 45,000

**Dairy Program Enrollment:** 73; Animal Science: 334

**Undergraduate Dairy Program Coordinator:** Miriam Weber Nielsen

**Dairy Department Head:** Dr. Karen Plaut

**Phone:** (517) 432-5443

**Fax:** (517) 353-1699

**E-Mail:** msw@msu.edu

**Website:** [www.ans.msu.edu](http://www.ans.msu.edu)

**Admissions Office:** 250 Hannah Administration Building, East Lansing, MI 48824

**Estimated Annual Fees:** Tuition in-state: \$9,688, out-of-state: \$23,550, books: \$875, room & board: \$6,412.

**Financial Aid:** Department awards \$88,000 in scholarships for students in dairy science and management.

**Part-Time Work and/or Work-Study Program:** Employment opportunities on campus or area dairy farms and in departmental offices or research laboratories. Internships required in Ag. Tech. program.

**Major Fields of Study/Degrees Offered:** B.S. degree in Animal Science with emphasis in Agribusiness Management, Pre-Veterinary Medicine, Production Medicine Scholars, or Animal Biology; Agricultural Technology, Dairy Management Certificate Program.

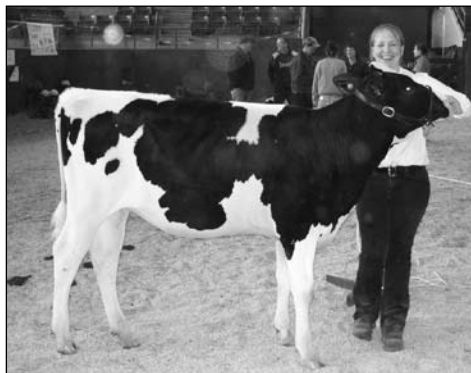

**Student Activities:** Dairy Cattle Judging; MSU Midwest Regional and North American Intercollegiate Dairy Challenge events, MSU Dairy Club, Undergraduate research, Internships, Study Abroad Programs and more!

## University of Connecticut Department of Animal Science

The University of Connecticut's Department of Animal Science offers a 2-year Associate of Applied Science degree and a 4-year Bachelor or Science degree in Animal Science with 6 options to choose from including a Dairy Management Minor.

Our Kellogg Dairy Center is a modern computerized 100-cow free-stall facility. Our current RHA is >28,000. Our herd of 85 Holsteins and 25 Jerseys are used in our teaching and research programs.

Ms. Heather Lord with UConn Champion Dahlia

### UConn Students Benefit From:

- Opportunities to manage a portion of the UConn Herd.
- Student accommodations at the DairyDBarn
- Courses that combine the latest scientific knowledge with practical skills
- Extensive "hands-on" experience with animals
- Employment at one of the Department's four farms
- Over 40 scholarships
- New England Regional Dairy Program Internships and Travel Course
- UConn Dairy Club activities such as the Annual Calf Sale and The Dairy Show
